

A close-up, artistic portrait of a woman's face, heavily adorned with jewelry. She wears a large, ornate diamond tiara with a central blue gemstone, large diamond earrings, and a matching diamond necklace. Her hair is styled in soft, wavy curls. A large, light pink rose is visible on the left side of the frame. The background is a soft, out-of-focus mix of light blue and white, suggesting a floral arrangement. The overall aesthetic is elegant and romantic.

WOMEN OF (Q)UALITY

By: Teneisha Johnson

So pure and so sweet are the Women of Quality

Their innocence is much to behold

They flourish even on rocky terrain

Melting rigid hearts ever so cold

Their integrity is one of God's greatest blessings

Their strength and wisdom are worth more than gold

Their beauty is just a sample of what's deep within

The sweet Holy Spirit dwells in their soul

I see myself as a woman of quality

With great worth and approval in God's eyes

He's repositioning me and guiding me

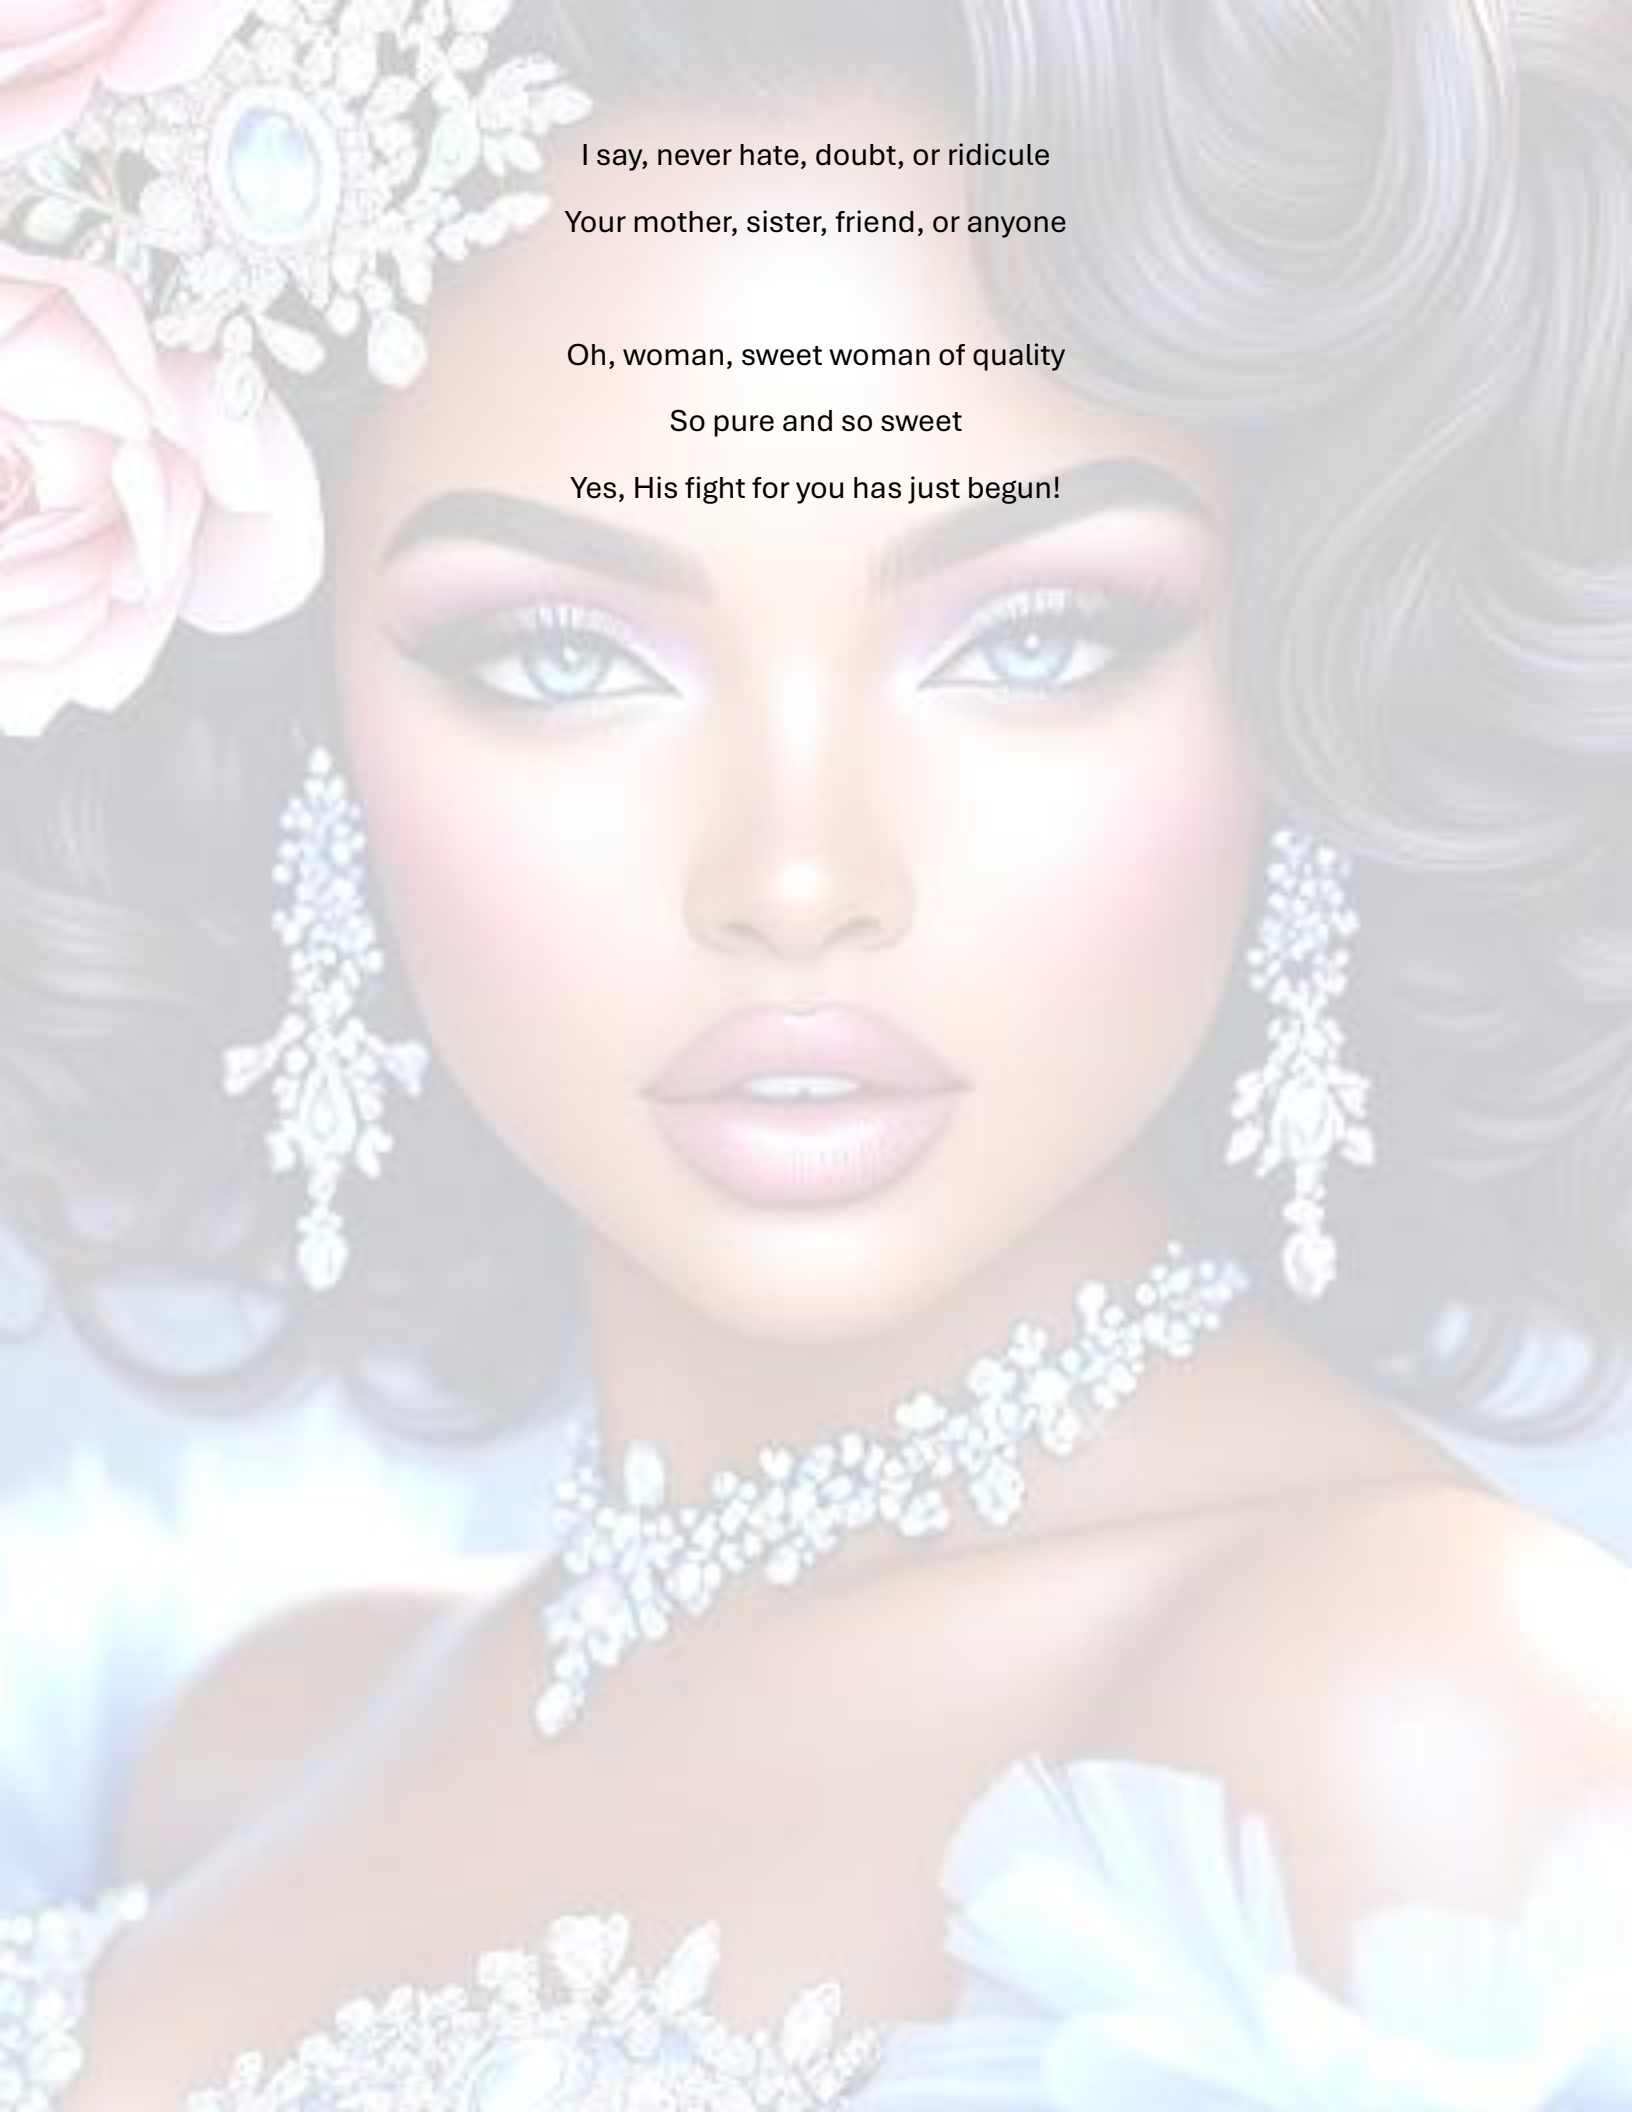

To eventually reap the eternal prize

Are you also a woman of quality?

Are you resting and abiding in him?

Perhaps you have fallen along the wayside

And allowed sin to slowly sneak in

I say, never hate, doubt, or ridicule
Your mother, sister, friend, or anyone

Oh, woman, sweet woman of quality

So pure and so sweet

Yes, His fight for you has just begun!
