

# Are you in need of a friend today?

By: Teneisha Johnson

How can I even begin to express  
The love, the warmth, the gentleness  
Of my Savior, the Sovereign King  
Whose death on the cross graciously covered my sin

How much more of a reason do I need?  
To worship Him in thoughts and good deeds  
He is my refuge and is greatly my strength  
In God I trust, more than the dollar or the cent

I've got to keep on pressing ahead  
Always abiding in my daily bread  
The Bible enriches me with so much truth  
To reach the lost and inspire the youth

Are you in need of a friend today?  
A gentle soul to guide your way  
May I recommend our Lord and Savior, Jesus Christ?  
A life with Him is worth the PRICE!
